

Does Your Dog Have These Symptoms?

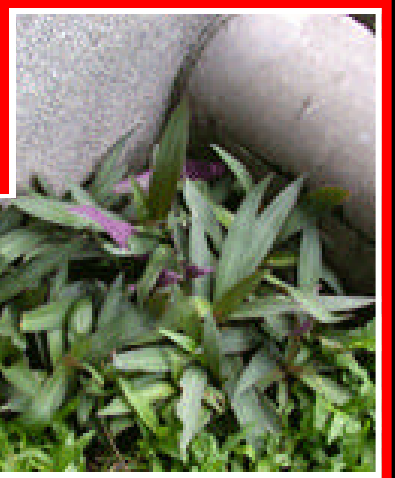

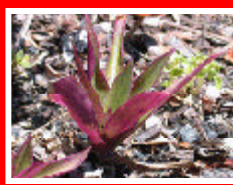

Does your pet have pustules, red and itchy skin occurring on its stomach, paws, chest or its underside? If so, it could be a contact allergy to one of these plants from the Wandering Jew family.

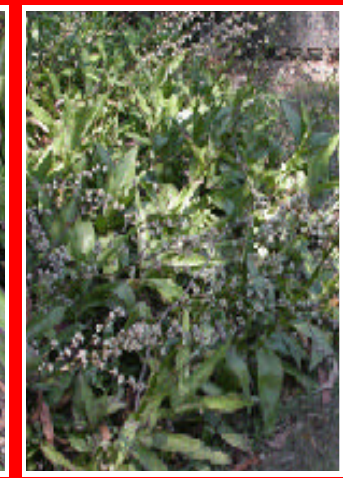

Ask your vet for more information.

Scurvy Weed
(*Tradescantia cyanea*)

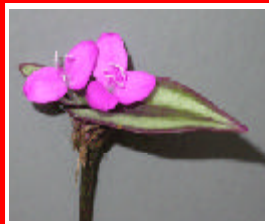

Moses-in-a-boat; Rhoen
(*Tradescantia spatheca*)

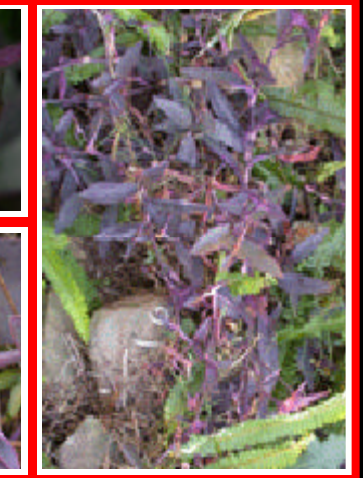

Inch Plant
(*Callisia fragrans*)

Bolivian Jew; Turtle vine
(*Callisia repens*)
